THE OHIO STATE UNIVERSITY
SCHOENBAUM FAMILY CENTER

Family Storytime

Visit the library for stories, songs, and rhymes that build your family's early literacy skills and help prepare your child for kindergarten – all while having lots of fun!

Wonder Lab Explorers

This once-monthly program will feature fun, family-friendly STEAM activities in our school's Wonder Lab. There will be three stations featuring activities related to science, technology, engineering, art, and math for your little learner.

Coffee Connections

Connect with fellow school parents and caregivers at this morning get together. Staff from ASR and school social work interns will be there to help facilitate conversation and resource connection.

Spring Break Hours

Due to OSU's spring break and student staffing, school operating hours will be shortened this week. They are:
March 16-20
8:30-3:30 p.m.

Ulti-Mutt Readers

Join therapy dog Louise for a book-themed activity and songs in the WonderLab.

OSU College of Optometry Vision Screenings

The Ohio State University College of Optometry will be conducting free vision screenings for all students in preschool classrooms the morning of March 26. This is simply a screening, not a full exam, and results will be made available to all families with resources if a further consultation with an optometrist is recommended.
